# BOARD of DIRECTORS

Mr. Coskey (standing) and Board Chairman, Fred Werbe, scrutinizing the giving patterns of the Lutheran community

Sunday, December 8, the Lutheran High School Board of Directors held the Annual Benefit Dinner at the Hyatt Regency Hotel. The Highlights sang several selections, and Scott Steigemeyer, a student speaker, and Reverend Wallace Schultz delivered inspiring messages to all in attendance. A total of \$43,406 was contributed, and the Pioneer Branch of Lutheran Brotherhood matched \$750 of the profits.

# NATIONAL HONOR SOCIETY

The NHS members for the 1985-86 school year are from right to left: top row; Jeff Rinne, Patrick Kelley, Mark Leutjen, Larry LaMette, Jeff Beverstock, Jeff Schultz, Scott Steigemeyer, and Tim Stelljes. On the bottom row; Peggy Shields, Barbara Alyea, Debbie Moore, Tahni Brewer, Sarah Kufahl, Suanne Coskey, Lisa Tremain, Shawn Kelley, Julie Savage, and Jeri Rinne.

The National Honor Society, under the direction of Larry Lasater (above), has begun sponsoring a foreign exchange program. This year we were visited by several students (left) who gave presentations about their home countries. We hope that in the next few years the program will be developed fully so that student exchanges will be possible.

# SPANISH HONOR SOCIETY

National Spanish Honor Society was begun in 1953 by the American Association of Teachers of Spanish and Portuguese to recognize those students who have done honor-level work in the language for at least three semesters.

Members are chosen no earlier than the beginning of the fourth semester of Spanish and must maintain a "B" average to retain membership.

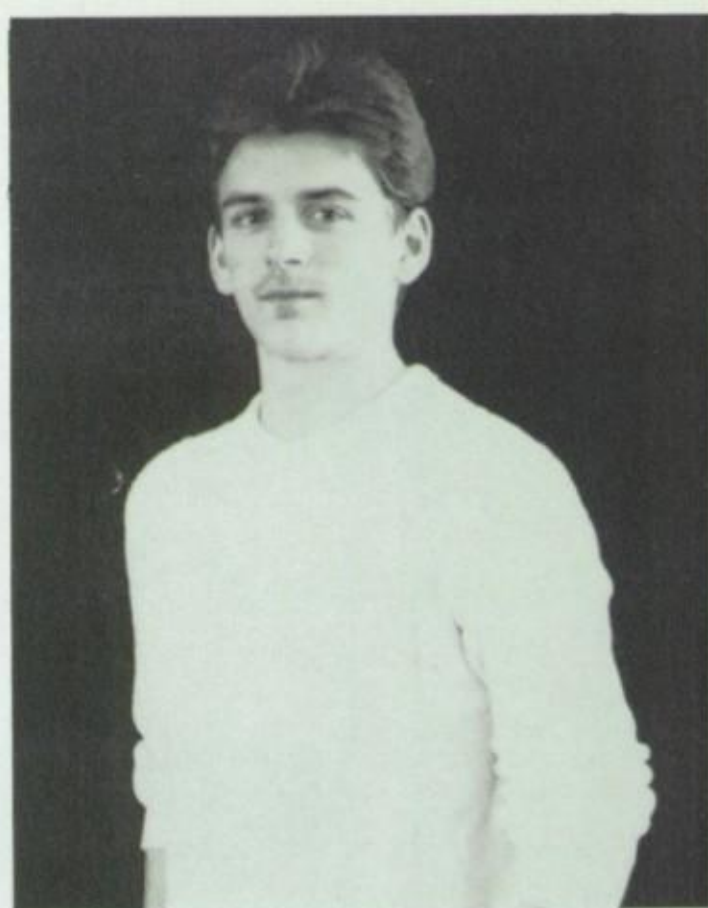

Our chapter's name, Los Caballeros, is in honor of the school's team name, The Knights. The charter was granted January 8, 1986, and induction was held March 11, 1986.

Advisor: Señorita Jane Dunham

# STUDENT COUNCIL

Student Council is an organization that represents the student body to the administration and faculty for the smoother operation of this school. Meeting once every two weeks, StuCo discussed fundraisers, food drives, social activities, and rule changes that affected LHS students.

Over \$300 were raised from the jewelry sales in November that, combined with leftover money from last year, created a sizable fund. Much of this was spent on the splendid Homecoming Dance in February. A result of attending Metro Leadership Day in December was the idea of a Christmas home-room decorating contest held later that month. Student Council's service project was a food drive in April that benefited the hungry people of Kansas City.

1985 was the breakthrough year for the varsity girls volleyball team. After two straight years of finishing second in the district to Englewood, Lutheran beat them for their first district championship ever. The girls advanced to sectionals before losing to the eventual state champions, Santa Fe.

Despite the loss, it was Lutheran's finest season ever. They finished the year with a 19-2 record and were conference co-champions. They also won the Englewood and Barstow Tournaments.

Marnie Ludwig, Julie Savage, and Jeri Rinne were selected to the All-Conference First Team. Sarah Kufahl and Tahni Brewer made the Second Team.

The Knights showed improvement during the last half of the season by winning five of their last ten games. Despite a strong defense anchored by standout goalkeeper John Boswell, Lutheran didn't get into the victory column until the twelfth game of the season, when they shut out Englewood, 3-0.

The Knights wound up with a misleading 5-16 record. They were in contention almost every game; to come so close time after time made the season especially frustrating.

Roger Brock led the team with ten goals.

The boys junior varsity basketball team had a season of streaks. They lost their first four games, then won four straight, then lost another four contests before finishing with a 5-8 record.

Inconsistent play and poor free-throw shooting plagued the Knights, who made only 40% from the line.

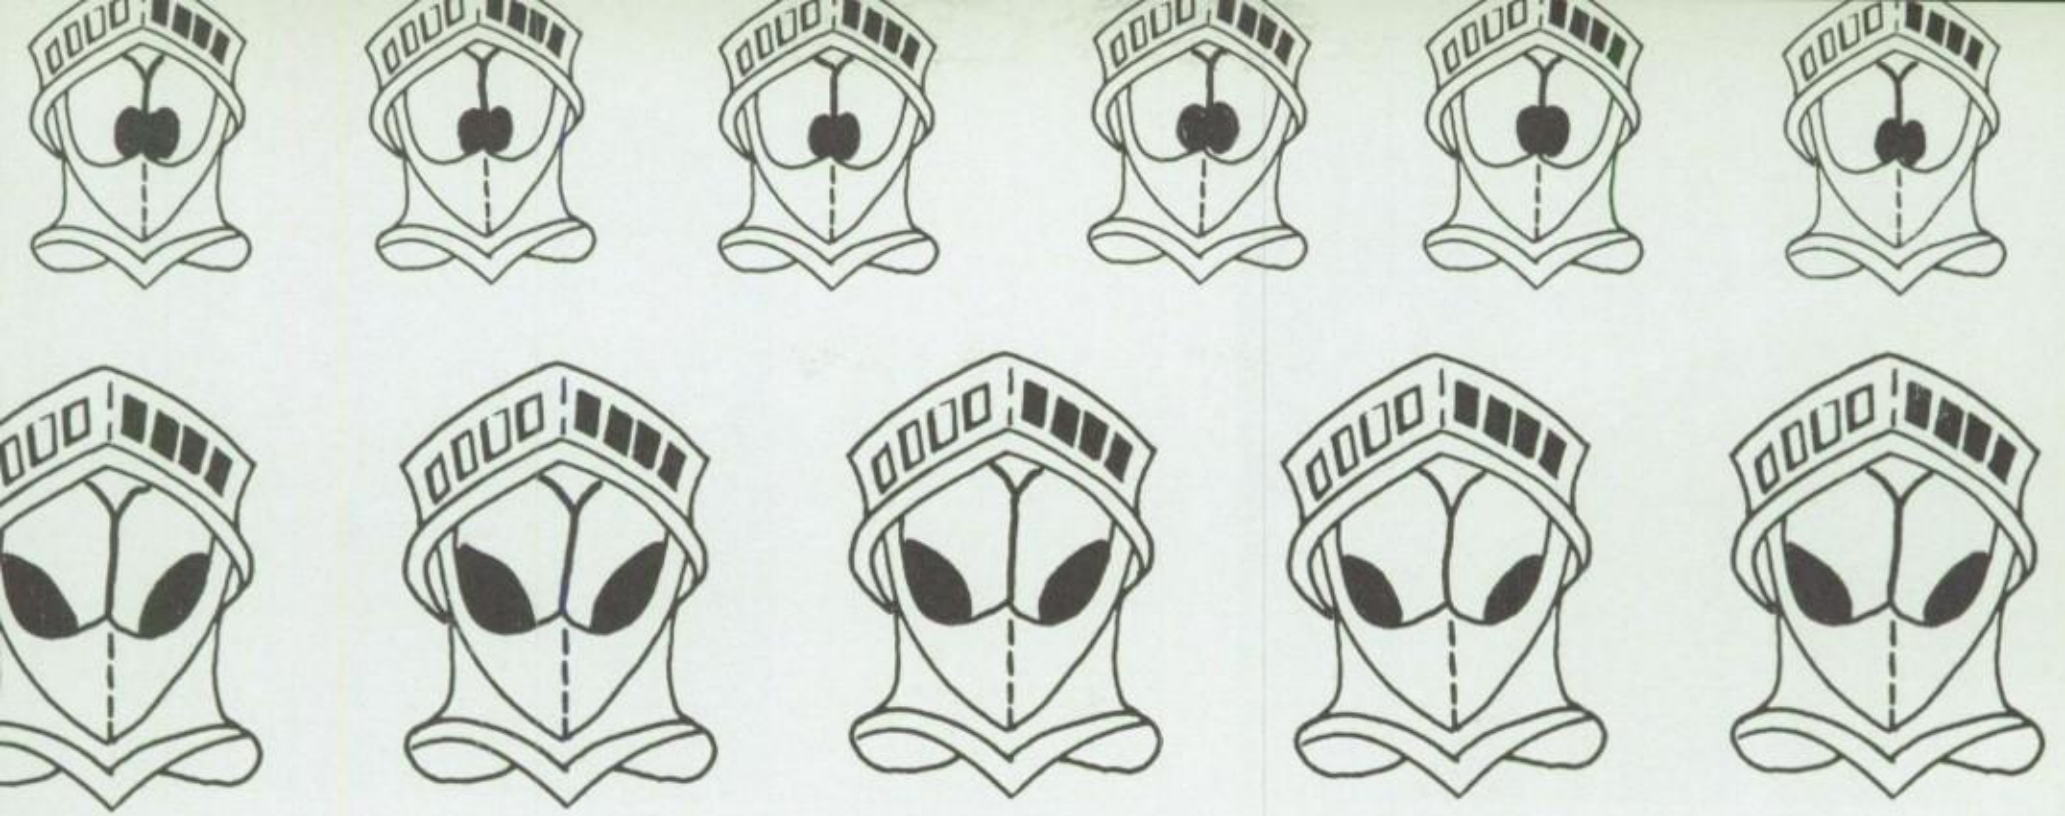

Sophomores Brian Summers and Derrick McKinney led the team in scoring with 10.5 and 10.2 points per game, respectively.

Even as we go foreward  
We look back to yesterday.  
For what happened to us then  
Made us what we are today.

We search through the memories;  
So many things come to mind-  
All the dreams and promises,  
The pot of gold we have yet to find.

We look back and have so much to tell  
Of friends and fights and fears.  
We look back and remember smiles  
And the laughter one still hears.

We remember and smile  
Even as we blink back the tears.  
So friends, remember - don't let go;  
It's too soon to fade into someone's yesteryears.
